The Vision and Mission of the institution clearly emphasize the institute's readiness to transform itself in accordance to the dynamic principles of our national education policies. The college has always used the holistic approach in teaching, curricular and extracurricular activities. The activities are focused on honing not only the academic but also social,

creative, physical and spiritual capabilities of our students. The college is fully prepared to implement the key elements of the National Education Policy (NEP) 2020. • The college has B.Voc. degree programmes, which besides the core courses, have multidisciplinary courses: Communication Skills, Applied Computer Skills, Soft Skills Development, Industrial Organization and Management and Environmental Studies. • BLibISc and MLibISc are offered under the multidisciplinary faculty. • CBCS of the affiliating University offers GOECs, vocational and value-added courses, AECs and SEMs to BA students admitted from 2022-23. The institute offers certificate courses for building life skills and employability potential. The STEM approach of collaboration, reflecting and problem solving are integrated in the co-curricular activities. Project and internships are embedded in the BLibISc and MLibISc programs. • BVoc students get hands on training at authorized service center workshops and Central Government institute CFMTTI, Budni. •

#### **16. Academic bank of credits (ABC):**

All our admitted students for 2022-23 are onboarded under the affiliating University registered on Digilocker portal for ABC. Thus, multi entry and exit options can be availed. Mobility of students through credit storage, transfer and redemption on the ABC portal has been facilitated. Teachers are encouraged to design innovative assessments within the university approved framework. For example, online assignments, animated quizzes, assignment on local historical places etc. are considered for internal assessments.

#### **17. Skill development:**

B.Voc. degree programs were introduced in 2014-15 aligned to the National Skills Qualification Framework (NSQF). Certificate courses for value-based education and soft skills workshop for 3rd year students are provided to the learners to develop employability skills and human values. The institute has very good automobile workshops, home economics and computer laboratories. Students undergo hands on training at dealer workshops and Central government institutetoo. Summer internships have been included in the new CBCS curricula. The institute has taken every effort to accord employment ready skills and humanistic, constitutional, ethical and moral values and has planned for more diversified vocational courses to develop employment and entrepreneurship skills and mindset. Infrastructure is being further augmented for improving experiential learning in automobile maintenance and Fashion

Designing etc..
<b>18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)</b>
Teachers are encouraged to prepare and teach the vocational programs in the vernacular. Teachers of the conventional programs have YouTube videos explaining in the regional language/ bilingually. Value added courses like the Modi Lipi for deciphering historical documents, collaborative yoga workshops, videos with subtitles, cultural activities including traditional and folk performances are all steps for integrating the Indian language and culture into the curriculum in view of NEP 2020. The curriculum under the CBCS of the affiliating University have included courses on Indian history and culture. Offering Value added certificate Courses in Human Rights, Gandhian Thought, Social Values and Norms, Modi Lipi, aim towards the attainment of a holistic and multidisciplinary education.
<b>19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):</b>
The National Higher Education Qualification Framework (NHEQF) under the NEP 2020 focuses on academics, vocational and relevant experiential learning to develop graduate attributes. The institute encourages innovation in the projects by students. They have participated in project competitions. The college provides facilities for innovative activities in the incubation centre. The institute plans to take improved steps to attain POS, PSOs and COs.
<b>20.Distance education/online education:</b>
The focus of the NEP 2020 on distance/ online education aims at wider dissemination of knowledge and skills. The institute has ICT based facilities for imparting online/ blended learning. Teachers have done FDPs on SWAYAM, PMMNITT on creating and delivering online content and MOOCs. They are encouraged to develop online study material. We plan to develop more effective online courses for academic and vocational skills and multilingual videos with subtitles for accessibility.

Rigor and transparency in the internal assessment and external university examinations is ensured by the teachers. The time table for examinations are circulated in the classes and displayed on the notice board. The students are free to contact the subject teachers or the Principal for any grievance they may have regarding the declared result. The students are advised to apply giving details in the format. If error has been found to be on the college level during submission of marks etc., it is rectified by notifying to the university by furnishing the proofs. The subject teacher or the concerned examination officer confirm the truth of the matter from records and submit to the university. A student can apply for revaluation if she happens to be dissatisfied with marks/ grades at the University level examination. The formats are available on the college and University website. Redressal is done on time so that students do not face hardships. There have been few such instances and

action was taken so that redressal was done at the earliest. Corrected marksheets have been obtained for students for University examinations of summer 2023, when they were shown absent despite entering their marks on the university portal. At the Winter 2022 online examination, internal marks and marks for practical examination were asked to be included in the marksheet..

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

**Best Practice 1 Title: Environment Conservation activities**

### Objectives:

To create consciousness regarding environment sustainability among students and society. To keep college premises green. To increase tree plantation. To improve bio diversity. To conserve water. Optimize utilization of resources.

**The Context:** Our region has been drought prone and every effort for awareness regarding water conservation and tree plantation is needed. We believe that the initiatives taken by the college inspire the students and community for environment friendly initiatives. Collective efforts will be able to bring about positive changes in our surroundings. The soil on the college premises is murrum - gravel type. However, in a span of a decade, by planned efforts, the college campus has turned green. For

this, we took continuous, focused efforts on and off the campus. The college follows the policy of reduce, reuse and recycle. The Practice: Reducing use, reusing and conserving water: Drips system for watering the hundreds of trees on the campus saves water. Rain water on all roofs has been directed in planned manner to the water harvesting pit. Storm water drains is also directed to the pit. Water from RO waste outlets is utilized in the washrooms. In NSS adopted villages, soak pits for waste water to improve cleanliness and building small check dams has been a regular extension activity.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Vocational Degree Programmes Introduction: The vision of the institute emphasizes on employability skills. The institution started as an aided single faculty college in the Arts stream, with co-curricular activities focusing on all round development of students. Distinctiveness Our college was the first one to begin skill-based degree programmes under our affiliating university in 2014-15. The college has emerged as a guiding one in the region with college teams and coordinators visiting the college B.Voc. department and workshops. Buldhana is a socially and economically backward district with agriculture as the main occupation. Our students come from surrounding villages and are mostly first-generation learners from small farmers family. Many drop to get employed as unskilled workers in automobile hubs at Pune and Aurangabad. Thus, when skill-based degree programmes were introduced by the University Grants Commission (UGC), we readily applied. The college started with two degree programmes, B.Voc. (Vehicle Testing) and B.Voc. (Automobile). The college has emerged as a guiding one in the region with college teams and coordinators visiting the college B.Voc. department and workshops. Industry partners, members of the Management Council

of the university and other dignitaries have lauded the excellent infrastructure of vocational programmes in the institution.
